

SCHEDULE AND TOPICS
SUBJECT: HISTOLOGY WITH EMBRYOLOGY
2024/2025 WINTER SEMESTER

Field of study: English Division

Year of study: I

LECTURES		
THURSDAY at.15::-16:30, UNIVERSITY LIBRARY HALL NO 306		
	Data	Subject
1.	21.11.2024	Bone and cartilage. Bone ossification.
2.	28.11.2024	Nerve tissue and the nervous system.
3.	9.01.2025	Blood and hematopoiesis.
4.	16.01.2025	Cardiovascular and respiratory system.
5.	23.01.2025	The immune system and lymphoid organs.

Winter semester: 42h = 10h lectures + 32h classes

PRACTICAL CLASSES			
Microscopic Laboratory (rooms No. 5 and 2), Department of Human Histology and Embryology, Collegium Anatomicum, 30 Warszawska Street.			
	Data	Subject	Range of material
1.	22.11.2024 25.11.2024	Epithelial tissue. Glands and their classification. Connective tissue proper.	JUNQUEIRA'S Basic Histology, Text & Atlas, 15e_A. L. Mescher: Chapter 4 and 5
2.	29.12.2024 02.12.2024	Adipose tissue. Bone and cartilage. Bone ossification.	JUNQUEIRA'S Basic Histology, Text & Atlas, 15e_A. L. Mescher: Chapters 6, 7 and 8
3.	06.12.2024 09.12.2024	Nerve tissue and the nervous system.	JUNQUEIRA'S Basic Histology, Text & Atlas, 15e_A. L. Mescher: Chapters 9 + Lecture 2
4.	13.12.2024 16.12.2024	Muscle tissue.	JUNQUEIRA'S Basic Histology, Text & Atlas, 15e_A. L. Mescher: Chapter 10
CT1	19.12.2024	Theoretical colloquium 1.	Classes 1-4; Lectures 1 and 2; Additional lectures
CP1	20.12.2024	Practical colloquium 1. FOR ALL GROUPS 15:00-17:15	Classes 1-4
5.	10.01.2025 13.01.2025	Blood. Bone marrow. Hematopoiesis.	JUNQUEIRA'S Basic Histology, Text & Atlas, 15e_A. L. Mescher: Chapters 12 and 13
6.	17.01.2025 20.01.2025	The cardiovascular system. The respiratory system.	JUNQUEIRA'S Basic Histology, Text & Atlas, 15e_A. L. Mescher: Chapters 11 and 17
7.	24.01.2025 27.01.2025	The immune system and lymphoid organs.	„JUNQUEIRA'S Basic Histology” Mescher: Chapter 14
