

University of Warmia and Mazury in Olsztyn
Collegium Medicum, School of Medicine
Department of Anatomy and Histology

Rules of Microscopic Laboratory (Rooms No 2 and 5)
2024/2025 Academic Year

1. Outerwear, bags, backpacks and footwear should be left in the lockers in the student cloakroom located in the Medical Simulation Center.
2. A student must be punctual for classes. Being late for class may result in an unexcused absence.
3. During classes the student should wear a white protective apron and changed, white shoes.
4. The student should disinfect hands and workstation before and after the classes.
5. Each student is assigned a practice station with an optical microscope, a tablet and a box with a set of histological slides. During the classes the student is obliged to take care of the above things.
6. At the beginning of the classes, the student should check the condition of the microscope, tablet and microscope slides. All irregularities should be reported to the person conducting the classes.
7. It is forbidden to eat and/or drink in the microscope room.
8. In the microscopic room students should be focused and serious and should not disturb others in learning and work. Students should keep their distance. Students should follow the instructions of the person conducting the classes.
9. Students are not allowed to use cameras, mobile phones and personal computers during the classes.
10. Smoking of nicotine products (including e-cigarettes) is prohibited on the premises of the University Clinical Hospital.
11. During the classes students are obliged to follow the Health and Safety Rules. Any cuts, injuries and other accidents must be immediately reported to the teacher.

Violators of the points of these Regulations will be removed from the microscope room of the Department of Anatomy and Histology, resulting in unexcused absence and failure to pass the class.
